An extremely RARE OPPORTUNITY to purchase a 'Grade Two' listed THATCHED COTTAGE. The aptly named 'Middle Cottage' is a mid terrace property and is absolutely perfect for someone wanting to purchase their 'dream, quaint cottage'. One of the main benefits of purchasing this home is having the opportunity to 'make your own mark' as considerable modernisation is required, but the end result will surely justify the means. The cottage also offers 2 bedroom accommodation with a large, if narrow rear garden that also enhances the appeal. Situated parallel to the High Street within a few minutes walk of the town centre which offers pubs, a restaurant, cafe's and a local convenience store.
