

Description:

This period semi detached house offers spacious accommodation, with the house having benefitted from having a 2 storey rear extension. There are 3 large bedrooms, a refitted kitchen, and downstairs a kitchen, utility room & office, together with a lounge & separate dining room.

The boiler has been replaced with a combi boiler, and outside there is a useful detached shed / workshop. Ideally located for Peterborough City centre, it is felt that, subject to the correct planning, it could convert to flats or HMO.
