This unique property is exceptional, offering stylish and versatile accommodation.

The home is nestled on a substantial plot with stunning open views over neighbouring countryside. In a particularly private position, the property is approached over a block paved driveway at the head of a cul-de-sac leading to this impressive home.

Accommodation is comprised of four bedrooms, one with ensuite, two reception rooms, a breakfast kitchen with conservatory, study, downstairs cloakroom, utility room and integral double garage.

Upon entering the hallway, the staircase to the first floor can be found to the left. Access is given to the impressive sitting room via oak glazed double doors. This room has a bay window complete with shutters and benefits from uninterrupted countryside views to the frontage.

Next is the formal dining room followed by a study, downstairs cloakroom and utility room which provides access to the rear garden and houses the gas fired boiler.

The breakfast kitchen is a real entertaining area with conservatory off, providing ample room for a breakfast table with chairs.

The kitchen is comprised of units to the base and eye level, island unit and granite worktops. Integral appliances include a Neff four ring gas hob, Neff extractor fan, AEG double oven, Neff 70/30 fridge freezer, Bosch dishwasher, and undermount stainless steel sink. An understairs storage cupboard completes the ground floor.

The first floor accommodation is extremely well proportioned. The principal bedroom suite is opulent with built in wardrobes and en-suite bathroom. Bedrooms two and four also have built in wardrobes. The family bathroom is contemporary in style with bath, low level WC and vanity wash hand basin.

Externally the property is well positioned with breath taking views across the countryside. The grounds are very well maintained with a variety of mature plants, shrubs and trees plus an area laid to lawn and stone flagged patio.

To the frontage is a block driveway providing ample off road parking for several vehicles which opens to the double garage that offers an electric roller door with power and light connected.
