SUMMARY: Introducing 15 Mitchell Avenue, a delightful period townhouse nestled in the heart of Newquay's vibrant town centre. This charming property offers a prime location, just a short stroll away from the bustling high street amenities and some of Newquay's most popular beaches. Boasting three spacious storeys and five bedrooms, this home is an ideal haven for families, with its flexible layout and inviting living spaces.

Upon entering through the welcoming vestibule, you are greeted by an inviting hallway with stairs leading to the first floor and convenient storage space underneath. The front living room is bathed in natural light, thanks to its large box bay window, creating a bright and airy atmosphere. Adjacent to the living room, a second reception room provides versatility and serves as an ideal formal dining area. These two rooms can easily be combined into a single open-plan space, offering endless possibilities for customisation.

The well-positioned kitchen at the rear of the house features a full range of fitted units and offers back door access. Notably, an extended ground floor ensuite bedroom adjoins the kitchen, providing additional flexibility and convenience for residents. This versatile space could be used as a guest suite, home office, or even a playroom. Ascending to the first floor, you will find three generously sized bedrooms, including two king-size bedrooms and one double bedroom. Completing this level, a family bathroom and a separate WC cater to the needs of the entire household. The pinnacle of this home lies on the second floor, where the final bedroom awaits. This ensuite bedroom, secluded on its own, offers a high vantage point with breathtaking views of the bay and St. Michael's Church.

Throughout the property, UPVC double glazing and gas-fired central heating ensure comfort and energy efficiency. To the rear, small west-facing courtyard gardens provide a charming space for alfresco dining and enjoyable evening barbecues. However, if the family desires more outdoor adventure, the nearby beach beckons with its sandy shores.

Beyond the courtyard, the property offers the luxury of off-street parking for two vehicles, a highly sought-after feature in this central location.

THELOCATION...

LOCATION: Newquay town centre as a place to live, rent or holiday is red hot in 2023, never more popular. With high street amenities and Newquay Bay nearby, you can choose a different beach for each day of the week, all of which are within a short walk from this property. The most revered beach of all is the world famous Fistral beach. Homes in walking distance to Fistral beach like those on Mitchell Avenue are highly sought after and rarely sold.

The coastline in Newquay has always been stunning and the town itself has reinvented itself over the last decade, making Newquay one of the locations of choice in Cornwall. The vibrant town centre now has a good range of food, drink, and retail outlets of all types from trendy bars, fine dining restaurants, and balanced mix of independent and national shops.

Mitchell Avenue is one of the closest centrally located streets to the town centre, a quiet, small side street consisting of beautiful period townhouses that make great homes and highly lucrative investments.
