MOREDETAIL...

SUMMARY: Vivienne Court, constructed in 2002, is a purpose-built apartment building with only two flats. Flat No. 1 is located on the ground floor, and it comes with off-street parking and a well-thought-out one-bedroom layout.

The living room at the front has a bay window that lets in plenty of natural light and features laminate flooring. It connects to an inner hallway, leading to a modern cream shaker-style kitchen with woodgrain work surfaces, integrated oven, hob, and extractor, and a wall-mounted combi boiler for hot water and central heating. There's also space and plumbing for additional white goods.

Adjacent to the kitchen is a fully equipped white bathroom with a Mira shower over the bath, a low-level WC, and a wash hand basin. The bathroom is tastefully finished with modern white tiles and a decorative border. The back of the flat houses a spacious double bedroom with dual aspect windows and fitted double wardrobes.

The property is gas centrally heated and features uPVC double glazing throughout. It's a low-maintenance, easy-to-live-in property that's perfect for first-time buyers or buy-to-let investors. Plus, there's no ongoing chain, making it ready for your move-in.

AGENTS NOTE: The photos were taken prior to the occupation of the most recent tenant, sadly the decorative order suffered during this tenant's tenure and superficially the property now would benefit from decorative updating.
