return on Investment

CAR80819V

Imagine owning a property in a rural setting overlooking vineyards, yet only minutes to several golf courses or the renowned beaches of the Algarve. Carvoeiro with its many restaurants, Ferragudo with its quayside or the city of Portimao are also only a short drive away. The Vines offers all of this and much more. The unique new development offers 16, 1-bedroom single-level suites with a further fold-out couch in the living room, so offering accomodation for 4 if required. On-site are two swimming pools, one of which is heated, a restaurant and bar, tennis courts, gymnasium and mini golf course together with the Quinta dos Vales winery offering the opportunity to learn about the art of wine making. These suites will be finished to very a high standard and will offer a guaranteed return on your investment if you wish to take advantage of the rental scheme.
