

Flat 4, Ashdown House Granville
Road
Bath BA1 0DE

Monthly Rental Of £1,650

The Ashdown House Development provides an incredible opportunity to rent a contemporary new home in the highly sought after Lansdown area of the beautiful city of Bath. These wonderful flats have been designed by an award winning architect and this penthouse takes advantage of the stunning views of open countryside. The two levels allow all the main rooms to take advantage of the outlook, while the open stairwell and gallery provide a dramatic sense of space and light to the interiors. Floor to ceiling windows lead from the main living area to a large balcony which leads to the landscaped garden and a further terraced area. Providing an intimate connection between inside and outside, a viewing is essential to appreciate this spectacular property. Immediately available on an unfurnished basis.

Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

| | |
|--|--------|
| Estimated energy costs of dwelling for 3 years | £5,367 |
| Over 3 years you could save | £2,865 |

Estimated energy costs of this home

| | Current costs | Potential costs | Potential future savings |
|-----------|---------------------|---------------------|---|
| Lighting | £375 over 3 years | £207 over 3 years | <div>You could save £2,865 over 3 years</div> |
| Heating | £4,443 over 3 years | £2,073 over 3 years | |
| Hot water | £549 over 3 years | £222 over 3 years | |
| Totals: | £5,367 | £2,502 | |

These figures show how much the average household would spend in this property for heating, lighting and hot water. This excludes energy use for running appliances like TVs, computers and cookers, and any electricity generated by microgeneration.

Energy Efficiency Rating

Top actions you can take to save money and make your home more efficient

| Recommended measures | Indicative cost | Typical savings over 3 years | Available with Green Deal |
|--------------------------------------|-----------------|------------------------------|---------------------------|
| 1 Increase loft insulation to 270 mm | £100 - £350 | £141 | ✓ |
| 2 Cavity wall insulation | £500 - £1,500 | £537 | ✓ |
| 3 Draught proofing | £80 - £120 | £78 | ✓ |

See page 3 for a full list of recommendations for this property.

To find out more about the recommended measures and other actions you could take today to save money, visit www.direct.gov.uk/savingenergy or call 0300 123 1234 (standard national rate). When the Green Deal launches, it may allow you to make your home warmer and cheaper to run at no up-front cost.
