## Oakwood Drive, Uckfield, TN22 1XA

We are delighted to bring to the market this beautifully modernised and improved two-bedroom link-semi detached house located in the quiet, rear area of the popular Manor Park estate. Having been renovated throughout in a cottage style with a new boiler, new log burner and redecorated with new carpets and flooring throughout this home is ready to move straight in to! As you approach the house you will find a garage and driveway with parking for multiple vehicles and the front door leading into the handy porch. From here you enter through to the bright living/dining room which in turn leads onto the kitchen/breakfast room with plenty of cupboard space and space for appliances. Upstairs are two double bedrooms and a family bathroom as well presented as the rest of the home. The rear garden has been beautifully landscaped and includes a raised central fishpond and covered patio area, ideal for summer or having a get together with friends and family. This is a must see to truly appreciate the love that has gone into this home!
