Oakwood Close, Five Ash Down, TN22 3EF

Built in 2018 and benefiting from the remainder of a 10-year warranty is this exceptionally well presented five bedroom detached house boasting huge accommodation of just over 2,000 sqft. This is a fantastic family home, able to accommodate a large family and visiting guests, and enjoys a wonderful outlook to the rear across open fields creating a sense of open space along with providing a generous level of privacy and seclusion. A central entrance hall leads to all ground floor rooms including a spacious lounge with a warming log burning stove opening to the beautiful and most impressive kitchen/diner to rear that is extremely spacious in size with access directly onto the rear garden along with a very useful utility room to side. Further to the ground floor is a w/c and another reception room ideal as a formal dining room or large study. Arranged across the first and second floors are five very well-proportioned bedrooms with a fabulous en-suite to the main bedroom, and an en-suite w/c to the second. A just as impressive family bathroom serves the remaining bedrooms on the first floor and on the second floor is a further shower room. Outside to front is a driveway with parking for 3-4 cars and the rear garden is certainly something to shout about. In comparison to other newer homes this garden is large in size with a slabbed patio and expanse of lawn it's the perfect space to enjoy throughout many months of the year with both family and friends. This property really is something very special and a viewing comes highly recommended.
