Beckets Way, Framfield, TN22 5PE

Tucked to the very end of this desirable cul-de-sac in the heart of the village of Framfield is this beautifully presented three bedroom semi-detached house with integral garage and driveway to front. This position within the cul-de-sac has very little in the way of passing traffic so a much safer area for kids to play than many other areas, also being walking distance of Framfield's Primary School. A traditional and spacious entrance hall initially greets you as you enter the property where to the right is a generous dual aspect living/dining room that is both cosy yet an ideal space for a family to all be together. What had previously been the kitchen is now a useful family room or study also providing access to the rear garden. To the left is a real eye catcher, a stunning modern kitchen with a wealth of fitted cupboards including both low and high units, drawers and integrated appliances and will most definitely be appreciated by viewers. The kitchen also provides access to a handy area of storage to the rear of the integral garage, furthermore, leading into the garage space. The landing on the first floor leads to a modern family bathroom, two well-proportioned double bedrooms, and a third single. Outside, the rear garden is the perfect manageable size and a fantastic space for keen gardeners or families with growing children and offers a great level of privacy. The sought after village of Framfield can be enjoyed by all thanks to having a much loved local pub, popular primary school, public transport with a bus service to Brighton, and plenty of countryside walks with lots of public footpaths to explore with the larger town of Uckfield being just a short drive away.
