This refurbished 2 bedroom house is set in a quiet, tucked away location that is far away from passing traffic and noise. Beautifully presented and ready to be moved into, this house has accommodation over 2 floors and benefits from an easy look after courtyard garden. The kitchen is modern and separate from the open plan Lounge/Diner which overlooks a lovely pond within the development's grounds. To the front there is a very secluded courtyard garden that has been paved and is a wonderful spot to enjoy sunny days and there is also the benefit of an allocated off road parking space. Area wise, this is a popular residential area which is only a short distance from Uckfield town centre, whilst also having good traffic links to Lewes and other surrounding areas. The house is available immediately and is being offered unfurnished. The property requires a security deposit of £1384.62.
