## Tower Ride, Uckfield, TN22 1SE

This wonderful two-bedroom neo-Georgian end of terrace house is such a pleasant property for a variety of prospective buyers including first time buyers and downsizers alike. Situated at the end of a cul-de-sac within this popular development, this home enjoys a wonderful garden benefitting from a southerly aspect and outlook to front over the green. At first you enter a spacious lounge with bay window to front leading through to a kitchen/breakfast room to rear. Upstairs are two well-proportioned double bedrooms served by a family bathroom. A fantastic feature that is certainly one to shout about is the generous detached garage tucked neatly into the corner of the garden that can also be accessed directly from the garden via a side door. This garage is larger than average so more than capable of parking a car within it. Uckfield's bustling high street is just a short walk away including schooling for all ages and a range of amenities. Direct links to London are also available thanks to the nearby train station that is also accessible by foot.
