**A 19th century farmhouse which has just undergone a thorough refurbishment and remodel, providing over 2,700 square feet in total which offers a good level of versatility and an attractive finish throughout with stylish new kitchen and bathroom fittings sitting alongside a number of original character features which were restored during the renovation. Neighbouring building which offers some further redevelopment potential; subject to all necessary planning consents.**

West View Farmhouse is the original house to the new Courtyard development in Wilton, a small development of just 7 high end properties by Yorkshire based Tri-Core Developments. The farmhouse sits apart from the development with a west facing aspect, private gardens to its front and its own parking area to the rear.

In all 2,779 square feet of accommodation; entrance hall, large living dining kitchen with newly fitted farmhouse style kitchen with AGA, large front facing sitting room, rear hall with study, pantry and utility with separate shower room. To the rear is a large further living space with an independent access and steps up to a large first floor bedroom. Ideal for an independent suite of rooms or home office if needed. To the main first floor are four double bedrooms, one with en-suite shower room and the main house bathroom.

Pretty, mature gardens face west and comprises lawn with a number of fruit trees and shrubs, there is a private road access onto a large gravelled area of parking. To the rear is a further private area of parking, with access from The Courtyard. A useful stone outbuilding adjoins the farmhouse and a large detached stone building provides useful storage and garaging space, or potential to be redeveloped to create annexe or home office; subject to all necessary planning consents.
