You could be forgiven for thinking that this is still the show home and to say that it is immaculately presented is probably an understatement.....

This may have something to do with the fact that no children have ever resided here and that all visitors are asked to remove their shoes (which of course is a good thing, as one day those lovely carpets could be yours!).

Of course, the joy of buying this house, as opposed to a brand-new version, is the fact that everything is finished and ready to go, including fitted carpets, window blinds, well stocked, colourful gardens and tasteful decoration throughout.

However, the piece de resistance here is the location. This house is positioned on the edge of the development, overlooking landscaped conservation land and has the great advantage of not being directly overlooked.

It is located just beyond Malpas village centre (only a few minutes walk), which benefits from fine restaurants, traditional pubs, local boutique shops and convenience stores, plus doctors and a dental practice. It is within the catchment area for the highly acclaimed Bishop Heber High School and is within easy reach of Shropshire and North Wales. Chester is approximately 12 miles and Wrexham around 10 miles.

An internal inspection is highly recommended and we doubt you will be disappointed.

Even the large, detached garage is immaculate and seems far too grand to house a car! It has been adapted by the current owners to provide a variety of spaces and it would no doubt even lend itself to a home/office workplace, if required. However, the internal stud partition walls could easily be removed and it could be reverted to its original intended use to house vehicles, if required.

The property benefits from a very private garden.
