What's on your bucket list for your next home?

An older property with character?

Something with a large back garden?

Something with a garage and a driveway?

Within walking distance of the town and/or even the park?

If you have answered 'yes' to some or even all of these questions, then this may well be the house for you.....

It has been well maintained and much loved by the current owner (even the brass door knobs are highly polished!) and an internal inspection is therefore strongly recommended.

The imposing front elevation is a forerunner to the accommodation to be found within, including 2 separate reception rooms, plus a conservatory addition, kitchen and downstairs shower room, 4 bedrooms upstairs and a refitted bathroom. The 'piece de resistance' however has to be the lovely, well maintained rear garden which is far larger than you may imagine and is likely to be haven for those with green fingers, children and pets!

Access to both the town centre and bypass is very straightforward from here; there are nearby bus stops and Whitchurch even boasts its own railway station, in addition to local shops, restaurants, pubs, doctors surgery, dentists, hairdressers, beauty salons and schools.
