Location

Fulstow is positioned away from, yet convenient for, the A16 road and stands between the market town of Louth to the south and the larger business centre of Grimsby to the north. The village stands on the Greenwich Meridian line, being the only English village where this crosses the village centre.

The Grade II Listed church originates from the early 13th century and is dedicated to St. Lawrence. The village has a primary school, playground, public house and village hall with an active calendar. The bus stop is outside the pub.
