'If you are looking for a straight forward move into a modern home that is in very good order then this three bedroom semi detached home could be just what you are looking for!'

Built by Linden Homes in 2018, this three bedroom home is in smart order and also enjoys a low maintenance, private rear garden as well as easy parking right outside the property! On entering the property, there is an entrance hallway and a really useful ground floor wc. The kitchen is situated at the front of the property and has space for appliances. There is a spacious lounge/dining room across the rear which has plenty of natural light coming in and has French doors onto the garden. On the first floor the main bedroom is a good size double with an en suite shower room, the second bedroom is a double and the third a sizeable single. There is also a tidy family bathroom on the first floor. GCH and double glazing.

The rear garden is a real sun trap and is both level and manageable having been laid to artificial turf and patio to the far end. Private parking for at least two cars side by side at the front of the property. The property is sold with the remainder of its NHBC build warranty for peace of mind!

Agents Note: The property is subject to a service charge of £125.59 payable bi-annually towards the upkeep of the development and is payable to First Port Management.

The property forms part of a modern development that is central to Radstock and is therefore handily placed for access to plenty of amenities including St Nicholas school which is only minutes away. Bath and Bristol are easily commutable. The cycle path network is accessible at the head of the development which links towards Kilmersdon and beyond.
