THE PROPERTY

We are delighted to offer this beautifully presented second floor apartment, within Compass Point, which was designed and built in 2020 and has been very stylishly remodelled. The building benefits from a bicycle store, storeroom and a communal gymnasium, which can only be accessed by residents of the building.

The apartment can be accessed via stairs or a lift servicing all floors, including the basement level where the gymnasium is located. The property is superbly presented, with the developers ensuring this new modern appearance, has not taken away the character of this 20th century building.

The apartment accommodation comprises an entrance hallway with a useful large storage cupboard and doors to all rooms. The hub of the home is a large, open plan, kitchen / living / dining area with good natural light. The kitchen area boasts a range of contemporary eye level and base units, further enhanced by a range of integrated appliances including washer dryer, fridge freezer, electric oven, four ring electric hob and extractor hood above. There is ample room in this L-shaped room for dining and lounge furniture.

The apartment further benefits from two double bedrooms, both tastefully decorated with excellent natural light. The main family bathroom is well appointed boasting a panelled bath with waterfall shower over, vanity wash hand basin and low-level WC.

The apartment has one allocated parking space, situated at the rear of the building.

The apartment is situated within the sought after location of Lodmoor in the seaside town of Weymouth. This area has become increasingly popular over the years, with regular bus routes providing access to the beach and town centre, and many amenities including a post office, convenience stores, doctors' surgery and various eateries being a mere stones throw from the property.

Austin Estate Agents highly recommended internal viewing to fully appreciate all of the features this exciting property has to offer.

Please note the current charges are: ground rent £182.00 per annum, with the service charge being £903.84 per annum. The lease length is 125 years from new (2020).
