THE PROPERTY

We are delighted to offer for sale, a beautifully presented, detached family home. The newly built property has been finished to an excellent standard with oak veneer doors throughout and full fibre broadband capability, whilst triple glazing and gas central heating make this property extremely energy efficient. The accommodation is situated over three storeys and includes ground floor cloakroom, four bedrooms, en-suite and family bathrooms. Outside the property enjoys a garden area to the front, with a driveway and detached garage and low maintenance rear garden. This new build development has been created to form a pleasant cul-de-sac location of just nine houses within the heart of Lodmoor, close to local shops and amenities.

On the ground floor the entrance door gives access to a welcoming reception hallway with stairs ascending to the first floor and doors to the lounge and ground floor cloakroom comprising a low-level WC and vanity wash hand basin with window to the front aspect, extractor fan and contemporary tiling.

The lounge is well proportioned with a useful storage cupboard. Full length windows as well as double opening French doors flood the room with natural light, whilst overlooking and leading to the rear garden. The lounge area naturally flows to a fully fitted kitchen, which is tastefully fitted with a contemporary range of matching eye level and base units, quartz effect worktop surfaces, further enhanced by an excellent selection of integrated appliances, including a NEFF four ring induction hob, concealed extractor hood, NEFF eye level oven, fridge freezer, washing machine and dishwasher.

The first floor landing hosts doors to three of the bedrooms, family bathroom and a storage cupboard with a radiator, suitable for use as an airing cupboard. Bedrooms two and four are situated to the rear of the property with triple glazed window providing good natural light overlooking the rear garden. Bedroom three has a front aspect triple glazed window overlooking the charming cul-de-sac. Both bedrooms two and three have recesses, ideal for wardrobes. The family bathroom features a low level WC, wall mounted wash basin and panelled bath with shower mixer tap, complementary tiling and heated towel rail with obscure window to the front.

Stairs rise to the second floor where the landing offers doors to a storage cupboard in the eaves and the main bedroom suite. The bedroom has a triple glazed, front aspect window, providing excellent natural light boasting views of the cul-de-sac to the rolling hills over the rooftops. Doors give access to a storage cupboard in the eaves and the en-suite bathroom. The well-appointed en-suite features a low-level WC, wall mounted wash hand basin, panelled bath with shower attachment over, heated towel rail and extractor fan. An electronically controlled Velux window to the rear provides good natural light.

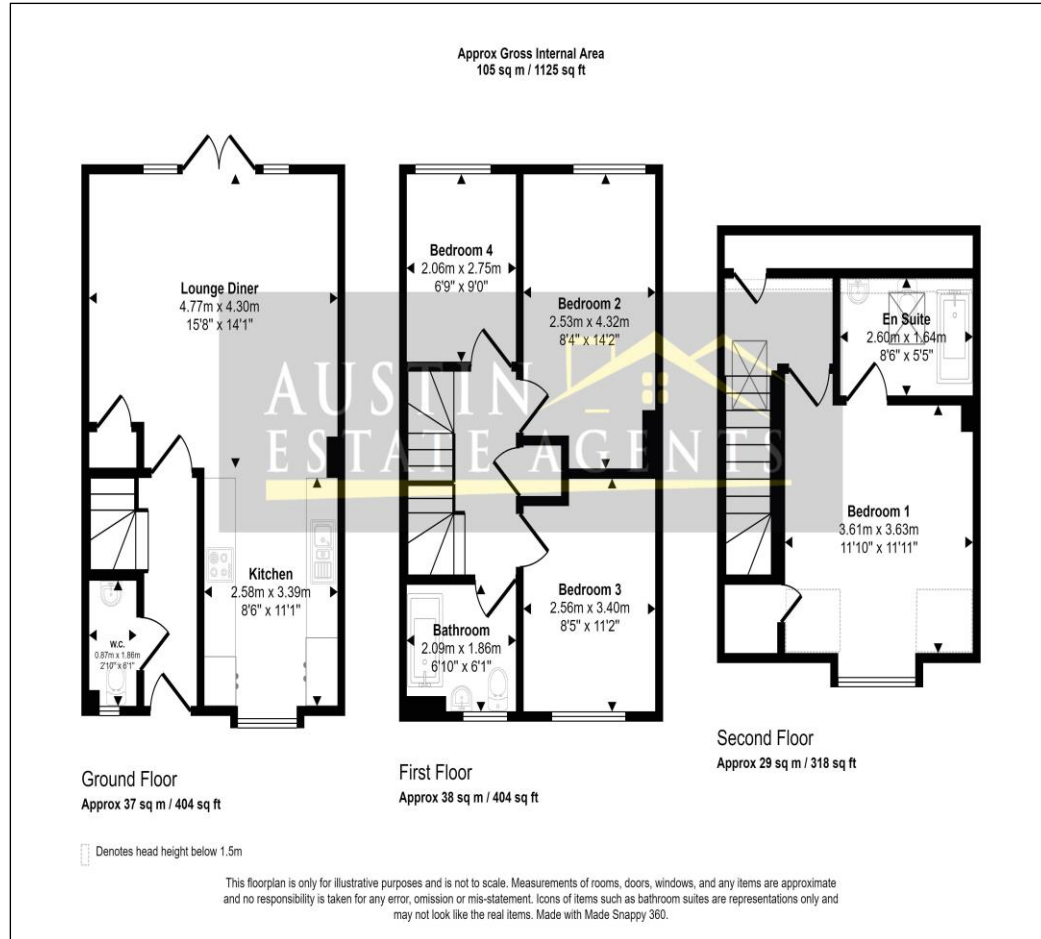

Externally, there is a small garden to the front. An independent driveway to the side runs the length of the house and leads to a detached garage. The fully enclosed rear garden features a patio adjacent to the property and a wooden side gate gives access to the driveway and garage.

This lovely home is situated in the highly popular residential location of Lodmoor, just a short distance from local shops and amenities and bus routes to surrounding areas including Weymouth town centre. It is ideally situated for Lodmoor Country Park, leading to the beautiful Greenhill beach and gardens, which offers many organised community events throughout the year. Weymouth relief road is a short drive away providing access to neighbouring towns and villages.

We have been informed that there will be a charge of approximately £200.00 per annum for the maintenance of the cul-de-sac development.
