Hodsons are pleased to be presenting to the market this rarely available detached property which has been extended and occupying a generous plot. Situated on the highly desirable Park Road the property benefits from a recently refitted kitchen and bathroom. The garden to the rear has been laid to lawn and the driveway for several cars has recently been re-laid with gravel. There is side access into the rear garden. The property benefits from three bedrooms on the ground floor and two further bedrooms upstairs and the family bathroom. The generous lounge and separate dining room with the potential to complete the utility space which is currently an empty area and the conservatory to the rear offer a lot of living space. With a level of upgrading still required the property offers the opportunity to make the property your own.
