In Brief

Fry & Kent are delighted to market for sale this unique 65-berth MARINA situated in an IDYLLIC backwater location along Upper Fareham Lake, Hampshire, just off the A27 close to Fareham Town Centre and the park.

The waters at this long-established BOATING facility are held under the terms of a long lease from Crown Estates while the marina, which is self-managed by the current owner, includes shower facilities together with a detached SAIL LOFT building with offices, large store, workshop, kitchen and bathroom, offering additional income potential. The building, consisting of the sail loft and the workshop/office below has, under a change of use, residential conversion potential into two units.

The adjoining land may have development potential, subject to all necessary consents being obtainable, in line with adjoining residential development. The Crown Estates lease also allows for additional berths, if required, offering potential for further income and expansion of the business.

Serious interested parties should contact us to discuss current income and arrange a viewing appointment of this rare business opportunity.

Railway arches held on a long lease from Railtrack.
