Situated at the front of a prestigious development of just 29 apartments in a two-three storey detached building with careful attention to elevational and internal details with attractive broad hallways and a fine homeowners' lounge opening to the delightful, colourful central gardens including part covered sun terraces. Important attributes of this apartment, which is designed for the over 60s, include uPVC double glazing, oak veneered doors with chrome handles, moulded architraves and profile skirting boards, plantation blinds to the windows overlooking Ackender Road, smooth finished ceilings and wet underfloor electric heating with zonal controls. There is also a generous supply of powerpoints set at a user friendly height. The wide oak style kitchen incorporates soft closing units with chrome handles, Hotpoint mid-height electric oven and ceramic hob, a hood, Hotpoint fridge/freezer and Indesit washer dryer, multiple drawers, a microwave plinth and worktop lighting.

The white suited wet room features a wide shower area with hot water provided by a Gledhill Pulsacoil pressurised system. The double bedroom affords not only the fitted walk-in wardrobe, but also a recessed window area ideal for a dressing table or computer station. If a car space is required, subject to availability, the cost is £125 per half year.
