DESCRIPTION

Rarely available, a good sized single building plot, the northern of a pair, with detailed planning permission under Notice 33920/010 conditions dated 27 May 2021. The plot has a coppice frontage and is elevated above the B3004 Alton-Kingsley Road, with a bank at the end of the rear garden backing onto a field having right of way over the driveway of Wilsom Farmhouse. Once built the 2.5 storey detached house will have the benefit of seasonal views towards the South Downs National Park across the Wey Valley and the field aspect to the rear.

LOCATION

The plot benefits from a frontage to Wilsom Road lying opposite the meadows of the Caker Stream towards the south eastern outskirts of Alton yet a 0.6 mile drive away from the station (commuter service to London Waterloo - minimum journey time 67 minutes) and the adjacent Waitrose store. The neighbourhood also has walks around King's Pond, Hangers Way - a spectacular 21 mile walk through the South Downs National Park, shops on Normandy Street, St Mary's Roman Catholic Church, Worldham Golf Course, and the Watercress Line steam railway. 'Jane Austen's town' of Alton has High Street shops, further stores such as Boots, Iceland, M&S and Sainsbury's, primary, senior and Alton schools, HSDC Alton College, cultural facilities, and weekly and specialist market events. Strategically placed for routes, this historic town also has a new leisure centre, rugby and cricket clubs, Mill Lane Retail Park and access to village inns.

DIRECTIONS

From the mini-roundabout beyond Sainsbury's on Drayman's Way, Alton's inner relief road, proceed on Lower Turk Street passing under the railway arch and by King's Pond on the left. At the junction, turn right onto the B3004 towards Kingsley, Wilsom Road. The driveway to Wilsom Farmhouse, 60 Wilsom Road is on the right after passing Omega Park on the left. Please kindly respect the privacy of the Farmhouse and park safely on Wilsom Road.
