ASTIN'S

Astin's are pleased to present this modern, well proportioned, three bedroom apartment in the heart of Whitby. The property has undergone a wealth of refurbishment and is now a successful holiday let, which is offered to market with furniture and on-going bookings available if desired. Sitting in a fabulous location on Baxtergate, the beach and all local amenities a short stroll away.

Situated on the top floor, the apartment is accessed via a communal staircase from the alleyway. The accommodation is neutral and contemporary throughout, briefly comprising an entrance hallway with skylight. This leads to two large double bedrooms and a single. The bathroom is generously sized and offers a separate bath and shower, with hand basin w.c. The large open plan kitchen/lounge/diner provides a wonderful light and spacious room. The kitchen has fitted units and built in appliance. The property also benefits from having communal basement storage below.

If you are looking for a bolt hole by the sea, a holiday let investment or to get on the property ladder then this lovely apartment is definitely worth a closer look!

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

Energy efficiency rating for this property

This property's current energy rating is D. It has the potential to be C.

[See how to improve this property's energy performance.](#)

The graph shows this property's current and potential energy efficiency.

Properties are given a rating from A (most efficient) to G (least efficient).

Properties are also given a score. The higher the number the lower your fuel bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more efficient the home is and the lower the fuel bills will be.
