19 Woods Green Cottages

Woods Green, Wadhurst, TN5 6QN

Guide Price £325,000 Freehold

The cottage is located on a quiet country lane, overlooking Woods Green, which is a lovely little green space maintained and well used by the residents surrounding it. There is a lovely community here and residents have annual get togethers and host private parties on the green.

There is space along the edge of the Green to park cars and generally people use the space in front of their property to park.

To the front of the cottage is a small garden area enclosed by picket fencing, with a gate and pathway leading to the front door.

The front door opens into a small porch with space for storing shoes and hanging coats. A further door then opens into the living room.

The living room has an aspect over the front garden and Green to the front and features a fireplace housing a woodburning stove, with built in cupboards and shelving in the alcoves.

The kitchen is located at the back of the cottage, overlooking the rear garden, with a half-glazed door to the same. It has cream base units with wood-effect worktops and ceramic sink and drainer. There is space for a freestanding cooker, fridge freezer, washing machine and dresser.

Between the kitchen and living room, the stairs rise to the first floor, where there is the first of the bedrooms and the bathroom.

The first floor bedroom is a comfortable double with space for wardrobes/dressers. It enjoys an outlook over the Green to the front.

The bathroom features an end on inset bath with shower over, WC and washbasin. It features travertine stone tiling, heated towel rail and has a window to the rear. A cupboard houses the boiler.

Stairs then rise again to the second floor, with a skylight providing natural light from above. There are useful eaves and understairs storage cupboards.

The top floor provides a further bedroom that will accommodate a double bed (currently used as a study/guest bedroom). Skylights to the front and rear provide lots of natural light. Eaves storage cupboard.

To the rear of the cottage is a westerly facing courtyard area, ideal for sitting out on in the summer months. There is storage space for logs and an outside tap. Steps lead up past a retaining stone wall to a stretch of lawn and the pathway continues to the top of the garden where there is currently a garden shed.

Some of the cottages in the row have extended with conservatories, which might be a possibility with this cottage as well, subject to the usual consents.

As is common with terraced houses, there is a right of way for the neighbours to pass through each other's gardens for garden maintenance when required.

There are local facilities in Sparrows Green (within 1 mile) including a convenience store. Wadhurst town centre is just a little further on providing a wider range of facilities including a Jempsons supermarket with post office, convenience store, a family run butcher, greengrocer, chemist, delicatessen, cafes, pubs, gift shops, an excellent library and book shop. There is also a monthly farmers' market, various clubs and societies to get involved with, a sports centre (at Uplands Academy) and a local doctors practice and dentist. The town has a friendly and active community.

Wadhurst station is about 1.6 miles from the cottage and provides regular services to London Charing Cross, London Bridge and Canon Street (London Bridge in around 55 minutes).

Wadhurst has a pre-school, "good" primary school (Ofsted 2018) and a popular state secondary academy in Uplands, as well as the Sacred Heart Catholic preparatory school.

The property is located in the High Weald Area of Outstanding Natural Beauty and there are many local footpaths taking you through the surrounding countryside. Bewl Water is also nearby.

Royal Tunbridge Wells is about 6 miles away providing an array of shopping, recreational and social facilities.
