Individual in its design and located in beautiful and private south-facing and relatively level landscaped gardens, as the property's name depicts, The Bay House offers captivating panoramic views that have to be experienced to fully appreciate. The vista extends from Summers Beach, Polvarth Point, the Percuil River with its yacht and boat moorings, the quaintness of St Mawes harbour, the beautiful countryside on the National Trust owned St Anthony Headland and Lighthouse and across to Falmouth Bay, the Manacles on the Lizard Peninsula and miles of open sea over the English Channel. On a clear day one can see for 50 miles or more!

The Bay House: A Brief Tour

The house has two private driveways, one located in front of the house, and the second driveway to the side which gives access to the detached garage and garden store.

Upon entering the reception hall from the porch initial impressions are of style and comfort with careful use of engineered bamboo-style flooring to the oak staircase, internal doors to the reception areas, bedroom 5 and walk-in shower / cloakroom with Villeroy and Boch sanitaryware.

Leading into the dining room, the property opens out into spacious open plan but cleverly zoned living areas, designed to maximise the fantastic views over the gardens, countryside and bay. The spacious lounge has a modern glass wood burning stove and large bi-fold doors opening onto the sun terrace and gardens. This extends onto the family room which has 4 sets of French doors opening onto the terrace. The room has open plan access to the dining room and the well-equipped and recently upgraded fitted kitchen. Due to the open plan zones it is possible to cook and dine in style whilst enjoying the beautiful vista or feel cosy overlooking the roaring wood-burning stove located in the lounge. An oak door leads to a laundry / utility room with washing machine and dryer and an American fridge freezer catering for larger households.

Extending to one side is a spacious day room which has an oak door back into the family room, quad-fold doors onto the sun terrace and built-in living flame electric fire. This room is perfect as a games / media / hobbies or fitness room. The views from this room and the wooden decked terrace are stunning of Summers Beach, Carrick Roads and out to sea. The decked sun terrace is perfect for outdoor dining and barbecues.

The Bay House: A Brief Tour

On the first floor are three spacious en-suite bedrooms, a private stylish family bathroom and walk-in shower serves the fourth bedroom. Three of the bedrooms have large patio doors opening out on to an extensive wooden decked balcony. All the bathrooms are fitted in Villeroy and Boch with modern tasteful tiling and fittings. The master suite is exceptional with its show-piece freestanding bath and spacious walk-in shower, carefully positioned to admire the beautiful views through its own patio doors on to the balcony which has an electric awning and is the perfect area for relaxation whilst taking in the breath-taking panoramic sea and headland views.

The landscaped gardens have well-tended lawns and rockeries that offer a choice of areas to sit and relax. The bottom area of garden is laid to lawn and is ideal for football, cricket and simply sunbathing!
