The property boasts a wealth of period features and spacious accommodation laid out over three floors. On the ground floor a large entrance hall gives access to two reception rooms, cloakroom, kitchen breakfast, utility room and a modern conservatory. An impressive staircase with original balustrading leads to a large first floor landing, 4 double bedrooms, one with a shower and a bathroom. On the second floor there are two further bedrooms, one with an en-suite dressing room and shower room.

Outside, there are pretty, well maintained gardens to the front and rear with garden office and a large detached garage accessed via the High Street to the rear of the house, for added security.

The house really enjoys a lovely quiet location being just a short stroll from the village high street, shops, station, and local gastro pubs and literally yards from extensive walking countryside on Walton Heath and Banstead Common.
