This is not your average three-bedroom apartment. With masses of accommodation across the ground floor wing of a very impressive Victorian country home, this property really stands out from the crowd. Beautifully refurbished and sympathetic to the original design, there are a range of character features on show. Wood panelling, high ceilings, bay windows, traditional leaded light windows, ornate plaster ceilings and cornicing are all proudly on display creating a feel of real elegance and charm. The entrance hallway gives a wonderful first impression as you walk through to the large dual-aspect drawing room with feature fireplace, panelled walls and generous bay window. The room feels vast with high ceilings and an airy spacious atmosphere-perfect for entertaining on a large scale. The beautiful conservatory is a place you will see you spending a lot of time in. It has double doors which lead to a private garden and paved terrace with an enviable vista across manicured communal lawns and mature gardens, of which there are approximately 5 acres. Above the generous kitchen/breakfast room with its central island, is a mezzanine floor being utilised as a home office with two stunning curved roof lights-previously part of the original billiard room. A handy utility room off the kitchen provides space for white goods and the three double bedrooms are magnificent. The master bedroom has a large bay window, ornate plaster ceiling, door leading to the garden and an en-suite shower room. The two further double bedrooms both have an en-suite bath/ shower room. Trulls Hatch is located less than 2 miles from the picturesque villages of Mayfield and Rotherfield with all their amenities plus the larger towns of Crowborough and Tunbridge Wells are easily accessible by car. There are direct trains available to London Bridge, Victoria and Charing Cross from Wadhurst, Tunbridge Wells and Frant. This is a totally unique property with a huge footprint that will endear itself to the new owners for many years to come.
