To the front of the house, is a large block paved driveway that leads to an enclosed porch, which provides access to the entrance hallway. There is a large dual aspect living/dining room, as well as a second reception, which is currently used as a study but could also be a children's playroom or even a downstairs bedroom. The open plan kitchen/breakfast room is a delight and has been fitted with modern wall and base units, integrated appliances, as well as a seating area. Downstairs is completed with a utility/cloakroom and an internal door leading to the garage. Upstairs, are four double bedrooms (three of which have built-in/fitted wardrobes), a family bathroom and an en-suite to the principal bedroom. The rear garden is mainly on the level, has an initial patio and then the majority is laid to lawn with mature borders, gated side access and a large workshop/summerhouse with power and lighting, which can be utilised in different ways. Other benefits include double glazing, gas central heating and a large main loft, which is of a considerable size. All in all, a wonderful property that must be viewed!
