The information will be used by the conveyancers representing yourself and the buyer during the conveyancing process and will support the sale of the property. If any of the information changes before you complete the sale then you should let your conveyancer know as soon as you become aware of the new information.

**Instructing your conveyancer now will mean that they can review the information which you have provided and help you resolve any title defects or replace missing documents. This will significantly speed up the sale and reduce the likelihood of the sale falling through.**

### Part B: Additional information required for the conveyancing process
