About this property

An excellent example of a detached stone-built period cottage of great character occupying a plot of approximately 0.5 of an acre overlooking the picturesque Clydach Gorge. The property is situated in the small, hillside hamlet of Upper Cwm Nant Gam near Llanelly Hill, popular with walkers and cyclists, some six miles or so to the west of the popular market town of Abergavenny and approximately two miles from the village of Gilwern. The ground floor has been extended with the accommodation comprising an entrance hall, 21' lounge, kitchen/breakfast room, and three piece bathroom. Upstairs there are two double bedrooms and an extra room that would be suitable as a study or nursery, while a sizeable area of eaves storage can be accessed via a door on the landing. The generous plot offers extensive parking for several vehicles, garaging and two containers providing a workshop with light and power and plentiful storage. The remainder of the garden includes two large areas of lawn with gated access to an area of woodland. To the rear of the property is another lawned area of garden with a recently added timber summerhouse. This is a superb opportunity for those purchasers looking for a home within a fabulous rural setting and offered with no onward chain.
