ABOUT THIS PROPERTY

Glanpant is a superbly presented four bedroom detached period home situated on the edge of the village of Bwlch with exceptional views across Bannau Brycheiniog National Park. At over 2600 square feet, the property affords exceptionally generous and flexible accommodation throughout and further benefits from the inclusion of a two bedroom detached cottage, with planning as a holiday let, and a proven track record as a sustained income stream.

Substantially improved by the current owners, Glanpant is a home of breadth and quality with a modern finish blended with period character and charm. The ground floor comprises a 17' living room to the front with feature fireplace housing a wood burning stove, which leads to an internal hallway off which is a study area. The social heart of the ground floor is the superb, refurbished kitchen/diner which has been extended to include a dining area overlooking the garden. The kitchen offers extensive worktop space and fitted units and there is a discreetly hidden walk in larder. Also on the ground floor is a large double bedroom with private entrance and modern en-suite bathroom which has regularly been used as an Airbnb. In addition, there is a rear boot room, shower room and utility room. Upstairs the bright and airy landing leads to a fabulous 18' first floor lounge with triple aspect including a bifold picture window which affords the most spectacular views across Bannau Brycheiniog toward Pen Y Fan. There is a 17' master bedroom with extensive fitted storage, again enjoying delightful views, two further double bedrooms and a smartly presented family bathroom.

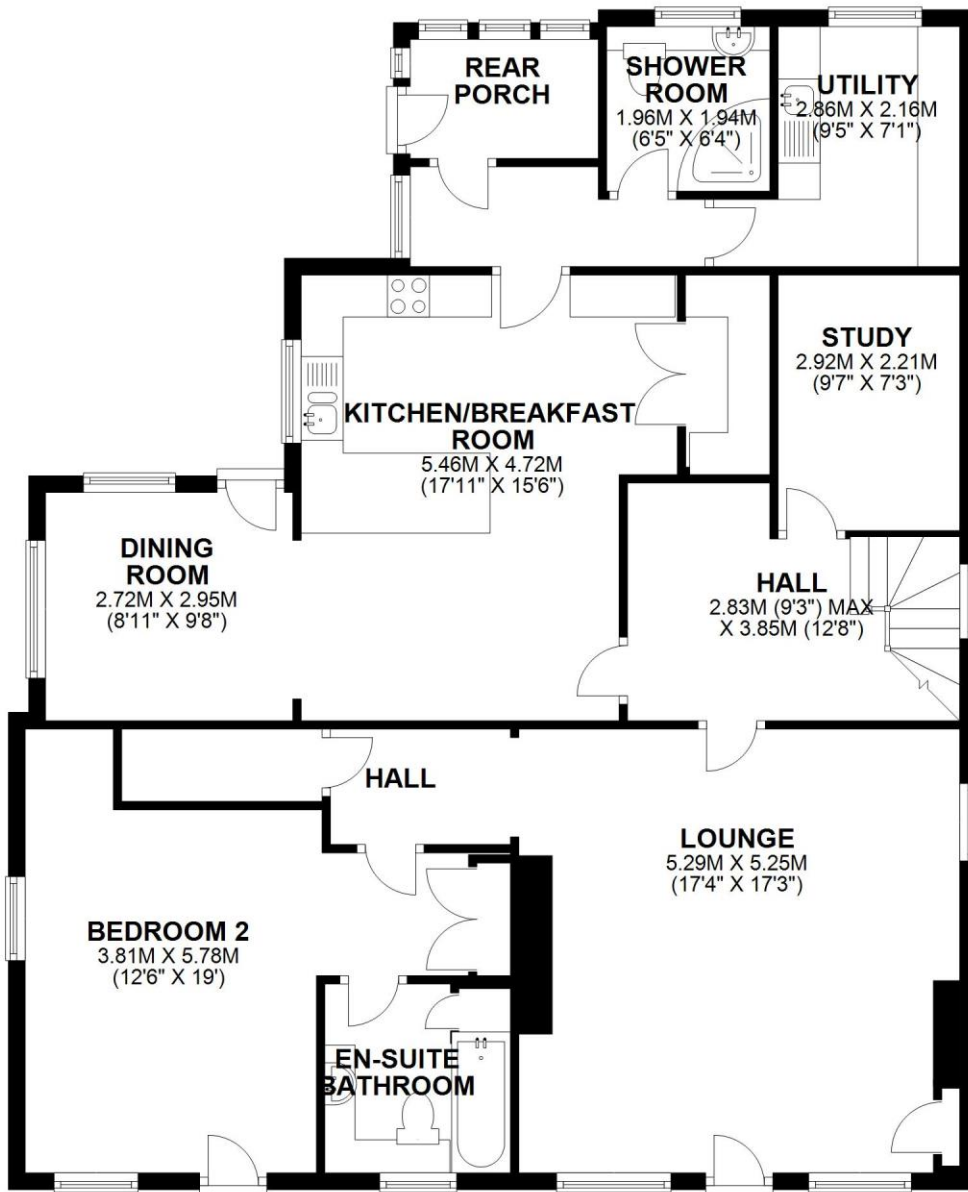

The property is situated squarely in the middle of a generous plot, with the gardens divided into well cared for and distinct areas including patios, hard landscaping, vegetable gardens with raised beds and a large area of lawn with seating area to survey the glorious panoramic views of the breathtaking Welsh countryside that surrounds it. The driveway provides parking for multiple vehicles, leading to the large detached double garage and workshop, with solar panels on the roof providing a further income stream.

The detached Annexe is located to the rear of the property and has been run for several years as a successful holiday let exceeding the 182 day a year occupancy threshold to receive business rated relief. The accommodation comprises an L-shaped lounge with two sets of French doors, downstairs wet room, fully fitted kitchen, two double bedrooms and main bathroom. The annexe has a small courtyard to the rear whilst to the front benefits from its own driveway and single garage.
