Trafford Close is a mixed development of standard two storey and three storey townhouses arranged around a central, communal, green with easy access onto fields and woods nearby, yet less than half a mile from the mainline station into London and closer still to the shops and facilities in Great Missenden village.

Entry into the property is through a double-glazed entrance hall, with storage for shoes and coats, and from there leads directly into the well-proportioned front sitting room. A broad opening leads to the dining room, with a staircase to the first floor, and doors out to the garden. The kitchen, also rear aspect, is off the dining room. It is fitted with functional, but fairly dated, kitchen units with the usual appliances. A door from the kitchen leads to the downstairs cloakroom and beyond that into the integral garage.

The staircase at the back of the dining room leads to the first floor. There are two front aspect bedrooms and two rear aspect bedrooms, which either get the morning or evening sun, the master bedroom being front aspect. The family bathroom is to the side and fitted with a white suite comprising of bath, with shower over, W.C. and basin.

Outside, the rear gardens are level and enclosed, with a gate out onto Trafford Road beyond. There is a central lawned area and beds of mature plants and shrubs. At the front there is driveway parking and a further area of lawn. The property is offered with no onward chain.
