WARLINGHAM, SURREY, CR6 9JE

Offers in Excess of £750,000

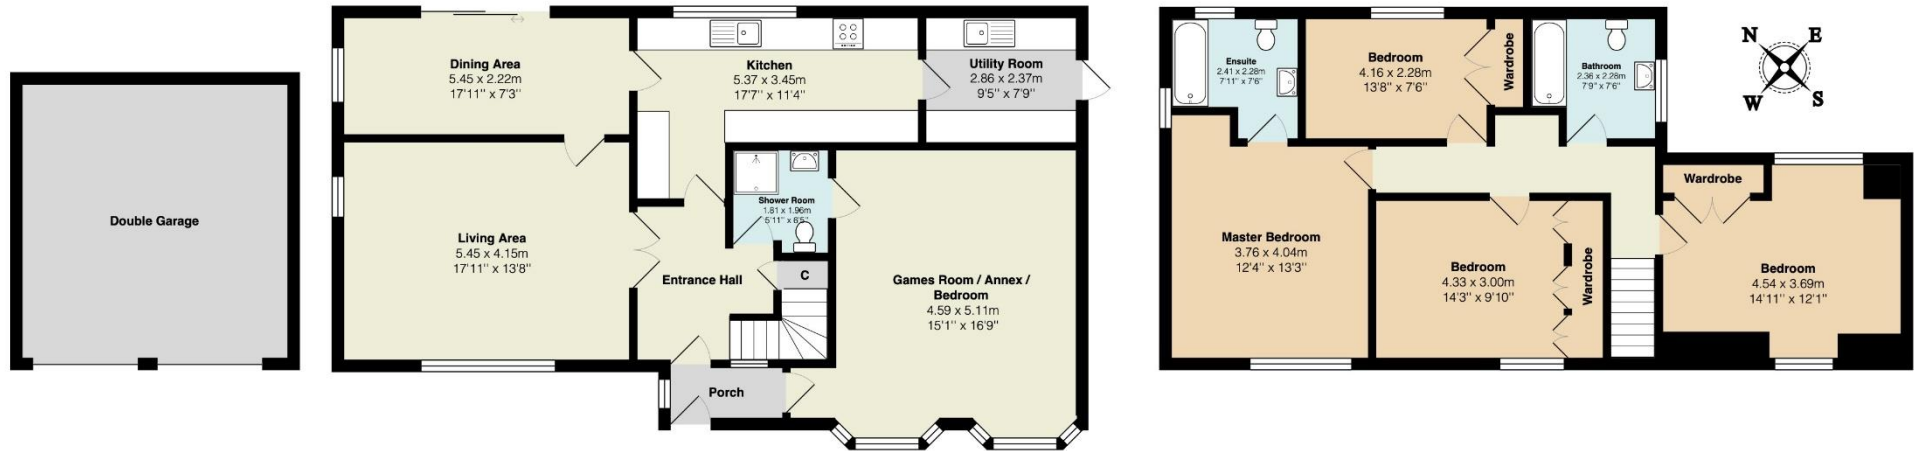

This spacious four/five bedroom, detached house is situated in a private residential road, within easy reach of train stations and road links. The accommodation extends to over 1900 sq ft with flexible space which includes the potential to create an annexe within the current footprint. The owners have also had planning permission granted for extensions to the side and to the rear to create a much larger property (application numbers 2022/795 and 2022/796). In our opinion this property is keenly priced and offers fabulous space with generously proportioned rooms, three bathrooms, spacious reception rooms and plenty of off road parking in addition to the double garage. The elevated plot hosts a vast array of visiting wildlife and has been carefully landscaped providing level areas including a large patio. The property is presented in good order throughout but holds scope for the incoming purchaser to make it their own. Excellent rail links can be found at Upper Warlingham, Whyteleafe and Whyteleafe South, Junction 6 of the M25 is a short drive away and there are a number of desirable schools within close proximity for all ages. Viewing is highly recommended.
