Garden Cottage, The Street, Hickling, Norfolk, NR12 0XU

A detached cottage, that has recently been extended and refurbished by the current owners, to create a stunning, contemporary family home. Located in the picturesque waterside village of Hickling, on the north easterly fringe of the renowned Norfolk Broads, linked by navigable waterways to the nearby riverside village of Potter Heigham and onward to the coast and near sandy beaches.

Set on a generous plot measuring just under quarter of an acre, Garden Cottage is set back from the road and approached over a newly laid shingle frontage providing ample off-road parking and access to an integral garage. To the rear, a paved terrace, ideal for alfresco dining, extends away from the property to an enclosed and well tended lawn garden with a summer house and timber storage shed.
