Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-co-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-co-property-minimum-energy-efficiency-standard-landlord-guidance>).

Energy efficiency rating for this property

This property's current energy rating is D. It has the potential to be B.

See [how to improve this property's energy performance](#).

The graph shows this property's current and potential energy efficiency.

Properties are given a rating from A (most efficient) to G (least efficient).

Properties are also given a score. The higher the number the lower your fuel bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

This magnificent Grade II listed Georgian townhouse represents a truly rare opportunity to acquire an impeccably maintained home of architectural merit and historical importance. In recent years this residence has been commissioned with a comprehensive yet sympathetic program of restoration and improvement at great expense, lavishing attention on every detail. The Georgian House now seamlessly combines period features with contemporary high quality fixtures to provide a fabulous home well suited to modern living.

It's a house perfect for entertaining; the current owners use the large south facing gardens for summer parties; the charming dining room for dinner parties and cocktails in the sumptuous drawing room.

The bright, spacious and versatile accommodation extends to over 2,900 Sq ft. To the ground floor off the grand entrance hall there is a dining room with stone fireplace, an impressive 24'7" dual-aspect drawing room with log burning stove and a beautifully appointed dining kitchen, all with oak flooring. The kitchen is fitted with attractive painted hardwood units, oak work surfaces, Siemens electric oven, induction hob and extractor along with a dark blue gas AGA.

Leading to the first and second floors is a stunning spindled winding staircase with attractive arched windows to the half landings.

On the first floor there are three generously proportioned bedrooms served by a contemporary house bathroom with separate shower and roll top bath.

The second floor is dedicated to an indulgent boutique hotel style master suite comprising of a dressing room, shower room and a 27'3" bedroom with open plan sitting room and log burner to one end.

The cellars comprise of two chambers currently used as a laundry room and a store room.

Completing the accommodation is a 'gardeners loo' and summer kitchen/utility room accessed off the rear courtyard.

Externally to the rear there are multiple entertaining areas starting with a courtyard which leads up to the main entertaining patio area then a further set of steps take you up to the south facing gardens, mainly laid to lawn. Beyond this is a gate which leads you to the Orchard.

Super-fast direct fibre broadband with the opportunity for 1Gb symmetrical exchange speeds.

Loft conversion may be possible in line with another similar Grade II listed property on the Street (subject to necessary consents).

Rich in history and character Lawton Street is an old road with some surviving timber framed properties amongst grand period town houses. This eclectic mix brings unique character to the street scene.

This is all a rare and unexpected treat for a property located just off Congleton's thriving High Street. Arguably, this is some of the best located period housing in the Town, as much of the earlier settlements formed against main roads, which are today busy and noisy. As you would expect from this central location many local attractions and amenities are within easy walking distance.

Vehicular access is easy too as the High Street links up with the bypass, which easily links up to all major routes. The bus station and taxi rank are also located just down the road. Morrisons supermarket is located in the town centre and within walking distance.

The accommodation briefly comprises(all dimensions are approximate)

MAIN ENTRANCE : Stone steps lead up to the main front entrance. Period style panelled door with glazed fanned light.

RECEPTION HALLWAY : Black and white tiled floor. Dado rail. Coving to ceiling. Plaster feature arch. Period style radiator. 13 Amp power points. Return winding staircase to first floor. Timber framed door to outside rear. Stairs down to basement.
