ABOUT THIS PROPERTY

Hendersons introduce 5 Frobisher Drive, are you looking for an immaculate property which is ready to move straight into? This extended two bedroom semi-detached house is exactly that!

The ground floor comprises an entrance hall with tiled floor and a designer radiator, good-size lounge with a useful under-stairs storage cupboard, to the rear you have a beautifully extended kitchen which has doubled the size of the original kitchen area and has created a light dining area with two large velux windows and bi-folding doors, opening out onto the landscaped rear garden.

To the first floor you have two double bedrooms and a modern bathroom with a white suite, full tiling to the shower area, Chrome heated towel rail and tiled floor.

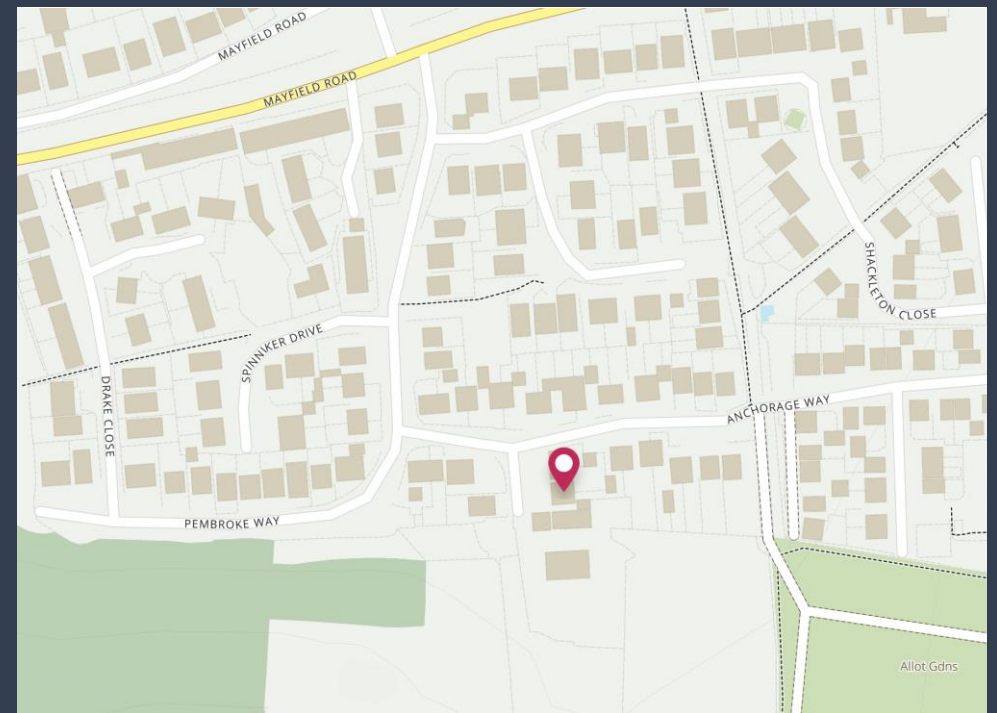

Externally you will find an easy-to-maintain gravelled front garden with a paved pathway leading up the side of the house. A gorgeous L-shaped landscaped garden occupies the rear of this home ideal for those summer BBQ's. Enclosed by wooden fences and hedges this is a wonderfully private space. A garage appears to be always high on potential buyers lists - making the fact this accommodation has a detached garage a huge bonus. Measuring over 18ft in length this good-size garage is ideal for parking or storage. It can be accessed, from the rear, through a door from the garden.

The location is convenient with the centre of Whitby a short drive away and a range of amenities, including a hardware store and supermarket, nearby. One not to be missed.
