On the ground floor, you walk directly into the boot room which has retained original wooden panelling, heading right you will be welcomed into the lounge which is naturally lit having windows at both ends and enjoys exposed stone walls together with a log burning stove. The kitchen is a well equipped with modern white gloss cabinets and a range of appliances. Up the stairs to the first floor you will find two double bedrooms both having original cast iron fireplaces, an ensuite shower room to the one of the bedrooms plus a separate shower room. Another double bedroom and a twin bedroom are on the second floor. Accessed through the rear porch from the kitchen is the enclosed courtyard which is a lovely private space to enjoy throughout the summer months.
