THE OAKS, LITTLEBECK

Hendersons introduce 'The Oaks' recently constructed two bedroom bungalow finished to an exceptional standard by the owners, it is easy to see how this was recently used as a 5 star holiday letting property.

They say the devil is in the detail and this property is no exception from the under floor heating, solid oak doors to the granite surfaces in the kitchen. The open plan lounge/dining/kitchen really emphasises the feeling of space this home has to offer. There is a separate w.c, two double bedrooms both with luxury en-suite facilities.

Externally there is parking for two cars and a mature landscaped graduated garden. The property is part of 'The Mill Collection' in the heart of Littlebeck with the river running through the middle of the site, which has its own weir bridges and woodland walks on its door step.

Very rarely do lifestyle properties like this come available to the rental market and therefore it is essential to register your interest. Available from early February with a 12 month ongoing assured shorthold tenancies if suitable to both parties.
